

Horticulturalist vacancy for Retail/Wholesale Nursery

Garden Centre Horticulturalist Abundance Nursery at Sancrox NSW

Abundance Nursery likes people who like getting their hands dirty!

We are a long established nursery/wholesale business with a reputation for producing and retailing premium quality plants, looking to expand our team. We have an exciting opportunity for a motivated horticulturalist who is experienced in sales, customer service, pests, diseases and gardening. Whether you're seeking casual or full-time work, we have a position for you!

You will need to love working outdoors and be equally confident in a team environment or performing tasks unsupervised. You will have the opportunity to advance your knowledge, skills and position in the business.

Key Responsibilities :

- Assist with plant care, including watering, pruning, and fertilizing
- Ensure the nursery remains clean, organized, and welcoming
- Assist customers with plant-related inquiries and recommendations
- Promote sales through social media and vibrant displays

Required Skills :

- Previous experience working in a nursery/garden centre
- Proven experience
- Ability to perform physical tasks and work in various weather conditions
- A positive and proactive attitude
- NSW Drivers licence

We are offering some flexibility with work hours starting at 25 hours per week. Our dream hours of operation would suit a working parent, 8am to 3pm. You will need to be available for a weekend roster for at least 2 days a month.

Successful candidates will be hired initially on a casual basis, leading to full time. The National Nursery Award pay rates will depend on the candidate's experience relevant to the role.

Please send your resume, relevant certification, references to:
